

THE BOOK OF CAPRI

(SECOND EDITION)

HAROLD E. TROWER

BALLIOL COLLEGE, OXFORD.

BARRISTER - AT - LAW.

“ Capri, the perfect island — boys and girls
Free as spring flowers, straight, fair and musical
Of movement; in whose eyes and clustering curls
The youth of Greece still lingers; whose feet fall
Like kisses on green turf by cypress tall
And pine-tree shadowed; who unknowing care,
Draw love and laughter from the innocent air. „
(John A. Symonds)
